We made the changes late last night and sent the revised database just before midnight. We are awaiting final review.

Good Morning.

Garen finished his review and indicated that you are planning to undo some changes to 2 buildings. He finished the review of Ed's changes from last week on yesterday. Dennis is out today.

What else can we do for you?

Thank you.

We are going to lose 3 weeks minimum if the database is not approved asap. We cannot final the ER and MDP until we have an approved database - every table, and many of the in-line numbers change with any change to the database.

My understanding is that Weds is the last day to get this item in the queue to go to Council before a 3-week recess.

Failure to go to Council before recess greatly increases our chances of the BID not starting services on Jan 1 - an outcome that is going to make my head roll, and is going to deeply disappoint the BID's many supporters.

I know Ed is unavailable Tuesday due to medical issues - and I can make some of his ER edit for him, but not all of them.

Please, all, I am asking for your help. This is my top priority; I will do anything within my power. Whatever is easiest and most expedient is really needed, now.

Warmest regards,
